**New for 2021:** We *may* compete in the Varsity events in two divisions based on enrollment adjusted for demographic factors.

**Awards:** **Medals** will be awarded to the **top six finishers** in each division. Embroidered jacket patches will be awarded to all Varsity Champions.

**Athlete of the Meet** Awards will be given to the top boy and girl of the meet.

**Entries:** We will **accept 27-45 athletes** to compete in Varsity and F/S track races, the quality and amount of entries determining the final number. We will accept **27-36** in throws and horizontal jumps and a smaller group in the vertical jumps.

Every participating school is **guaranteed six accepted Varsity entries per gender**, and all Varsity relay entries will be accepted

The **top sections/flights** will include the best entrants regardless of school affiliation. The other heats or flights will be filled by a process that balances performance, broad participation and the guaranteed spots, so that one school's #1 athlete in an event may receive precedence over another school's #3 athlete even though the latter athlete might have a slightly better entry mark..

All entries will be made online through Athletic.net. Please consider using this excellent resource for recording all of your athlete's marks for the entire season. **Entries will close at 8:00 pm on Wednesday, May 5.** (Please note, this is earlier than previous years) There are no minimum standards for entry, and you will be charged for accepted entries only.

We will give priority to documented entry marks. Documented marks must be 1) achieved in an invitational meet with publicly posted marks. 2) Dual meets recorded contemporaneously in Athletic.net, i.e. teams must document their season on that website.

A list preliminary Accepted Entries & Alternates, Meet Schedule, and Opening Heights will be emailed to coaches by **9:00 pm on Thursday, May 6**. You will have 24 hours to edit and correct your entries. The final Accepted Entries will be emailed and published on **Friday, May 7**. Your fees will be based on this list.

Unlike previous years, we will not have meet day alternates. Instead, we will overfill each event in anticipation of meet day scratches, and will add heats in lane races if needed on meet day.

**Fees:** \$10 per accepted entry (including relays), with a maximum fee of \$600 for each school - \$300 for single gender schools. Checks for the fees should be made out to "Covina High School". If your school cannot produce a check by the meet date, or if the check is "in the mail", you may pay with a personal check, which will be held for three weeks in anticipation of the school check.

**Access:** Athletes are allowed on the infield and track only when competing. There will be designated coaching areas near the field events; otherwise coaches may not enter the infield or the track.
